

# **Autobiography Assignment**

**Due on:** \_\_\_\_\_

Throughout the year you have been creating entries for an autobiography. This finished book should tell the story of your life and should show your development throughout the past year.

To earn full credit for this project you must have the requirements listed below. Note: an entry will earn a "1" if there are marks on it, it is written in pencil, is messy, etc. An entry will earn a "2" if it has been revised, shows there was thought put into it, is neat, is typed, etc.

**Extras:** Any pages you add that are not listed will count as "Extra." Get creative! These could be pages of photos of your friends, awards you've won, essays you're proud of, tests you've aced... anything that you would want to remember when you look back at this year of school. You NEED to have 2 Extra pages (please write in the box what your "Extra" is) – for any page after that you will earn a bonus  $\frac{1}{2}$  point. (Again, please write in the box what your "Extras" are). Note: You can earn up to 3 points in extra credit from adding "Extras"
